To Whom It May Concern,

RE: Letter of Authority (LOA): Distribution Network Operator (Grid) and Electricity Supplier.

This is to confirm that I authorise Energy Renewables Ltd to communicate with you on my behalf, and to obtain relevant information from you, with reference to the following address, in relation to developing a solar PV project.

The information that will be requested will be, but not limited to, 12 months half hourly data in excel format for each MPAN, application for permission to connect a generator to the local district network, application for an export MPAN and MOP set up.

Yours faithfully,

.....
